

The Municipal Finance Officers Association

Of Northeast Ohio

January 2017

Dear MFOA Member,

Please find enclosed a copy of the membership form for the MFOA of Northeast Ohio for 2017-2018. There are three possible options from which to select for both municipal and associate members as described below:

- ✪ Option A is the standard membership and is the same as the memberships of the past and entitles the member to the directory, luncheons on a pay as you go basis, the Fall Fling at a reduced rate and the Winter Holiday Luncheon free of charge.
- ✪ Option B is the second level of membership and includes all of the benefits of a standard membership plus prepayment for the year for all luncheons. This will allow a municipality or associate to write one check for the year and eliminate the monthly paperwork. Membership privileges are transferable within an organization. That is to say that if the Finance Director is unable to attend a luncheon because of a scheduling conflict, any designee would be able to attend in his or her place.
- ✪ Option C is the third level of membership includes all of the benefits mentioned above plus a discount for the golf outing. Again, membership privileges for the premium level of membership are fully transferable within a municipality or organization.

We will continue to rely on reservations. If you sign up for either of the enhanced memberships, it will be just as important to make reservations and keep them if we are going to keep membership fees to a minimum. Thanks.
