

Part-time Finance Director

The City of Kirtland is currently accepting applications for part-time Finance Director. This position is responsible to plan, develop, and oversee the City financial functions to provide efficient, effective, and accurate reporting. The desired candidate must have a bachelor's degree in finance, accounting, business administration, public administration, economics or related field and five to seven years of increasingly responsible experience as a public or private finance manager. A Master's degree and/or CPA, although not required, is preferred.

Send cover letter, resume, and references to:
